## Report of the Trustees

The Trustee Board presents its report for the period ended 31 March 2020

### Structure, Governance and Management

The Reading Advice Network (RAN) is a Charitable Incorporated Organisation, and was registered by the Charity Commission on 29 February 2016. It has a Trustee Board which was elected at its first Annual General Meeting on 11 October 2016 and is ultimately accountable for the conduct of the organisation.

Member organisations pay an annual membership fee of £30, and make two commitments - to achieve the RAN Quality Standard, and the 'Safe and Sound' Governance Mark produced by Reading Voluntary Action. At 31 March 2020 RAN had sixteen member organisations - Age UK Reading, Age UK Berkshire, British Red Cross, Citizens Advice Reading, Communicare, Dingley's Promise, East Midlands Carers Trust, Graft, Healthwatch Reading, Launchpad, Reading Association for the Blind, Reading Community Welfare Rights Unit, Reading Mencap, Reading Refugee Support Group, Reading Voluntary Action and Stepping Forward.

### Aims and Objectives

The Network has three aims, with supporting objectives:

Aim 1: To improve the quality of information, advice and non-statutory advocacy that is available to people in Reading by:

- 1.1 Setting and maintaining an appropriate quality standard for RAN members
- 1.2 Supporting organisations to achieve that standard
- 1.3 Raising the capacity of RAN members through sharing knowledge, training and specialist expertise

Aim 2: To make it easier for people in Reading to get the information, advice and non-statutory advocacy they need by:

- 2.1 Publicising the services provided by RAN members
- 2.2 Developing joint outreach services in areas of particular need
- 2.3 Providing a simple and effective referral process between RAN members

Aim 3: To become a focal point for information, advice and non-statutory advocacy services in Reading by:

- 3.1 Providing a forum where RAN members can discuss key issues
- 3.2 Assembling and disseminating useful information to RAN members
- 3.3 Being the collective voice of RAN members to shape service provision

## Activities and achievements

During the year RAN:

- welcomed two additional members - Reading Association for the Blind, and Stepping Forward
- assessed several of its member organisations against the RAN Quality Standard. By the end of the year ten member organisations had achieved the Standard and others were working on improvements to their policies and procedures in order to meet the requirements of the Standard.
- held three Advice Forums on:
  - Debt
  - Effective supervision
  - Clients with complex problems
- Introduced arrangements to enable member CEOs to share and discuss current issues of concern
- held its fourth Annual General Meeting

Our Business Plan for the year, and the next two years retains the previous Plan's four strategic priorities:

- becoming financially secure
- growing our membership
- developing and delivering excellent services for our members and, through them, improved services for the people of Reading
- building a strong reputation

## Public benefit

RAN trustees have regard to the Charity Commission's guidance on reporting how RAN provides 'public benefit', and in particular to the requirements of the Charities Act & Charity Reporting Regulations.

This report from RAN's trustees is a summary of the main activities undertaken by the charity in carrying out its charitable purposes for the benefit of the public in and around Reading. These activities are principally providing advice-giving charities and similar public bodies with the support and information needed for those organisations to help people disadvantaged by poverty, age, ill-health, disability, financial hardship, and similar issues.

## Financial Review

The financial accounts for the year ending 31 March 2020 are set out on pages 5 - 10. The Statement of Financial Activities shows a deficit for the year of £644. The total reserves at the year end stand at £7,990 of which £1,993 is restricted and £5,997 is unrestricted.

The Charity no longer employs any permanent staff, being operated by volunteers, holds no significant fixed assets, property or leases, so has no ongoing financial liabilities. The Board therefore considers that there is no requirement for a reserve fund.

Projected income is £480 a year based on the present membership. The Board is working to reduce annual expenditure closer to this figure in the short term so that annual deficits from 2020-21 onwards will be minimal. Current projections of spending would reduce the level of net expenditure to under £600 a year which given the present cash balance would sustain the charity for at least 10 years.

### **Statement of Trustees' responsibilities**

The Trustees are required by law to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the Charity as at the end of the financial year and of the surplus or deficit of the Charity. In preparing those financial statements the Trustees are required to :-

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charities SORP;
- state whether the applicable accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements;
- make judgments and estimates that are reasonable and prudent; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue its work.

The trustees are also responsible for maintaining proper accounting records which disclose with reasonable accuracy at any time the financial position of the Charity and which are sufficient to show and explain the Charity's transactions and enable them to ensure that the financial statements comply with the Companies Act 2006 / Charities Act 2011, the Charity (Accounts and Reports) Regulations 2008 and the provisions of the charity's constitution . They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

This report was approved by the Board of Trustees on 6 July 2020.

**Independent Examiner's Report**

I report on the accounts of the Reading Advice Network for the 12 months ended 31 March 2020, which are set out on pages 6 to 9.

**Responsibilities and basis of report**

As the charity trustees you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ('the Act').

I report in respect of my examination of the Charity's accounts carried out under section 145 of the 2011 Act and in carrying out my examination I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the Act.

**Independent examiner's statement**

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

1. accounting records were not kept in respect of the Trust as required by section 130 of the Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

**Notes to the Financial Statements Year to 31 March 2020**

**1 Accounting policies**

The following accounting policies have been used in dealing with items which are considered material in relation to the Organisation's financial statements.

**a) Company limited by guarantee**

The Organisation is a registered Charity number 1165798 the members of which have no personal liability in the event of the Charity winding up.

**b) Basis of accounting**

The accounts have been prepared in accordance with Accounting and Reporting by Charities: Statement of Recommended Practice applicable to Charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) and the Companies Act 2006.

The accounts have been prepared to give a true and fair' view and have departed from the Charities (Accounts and Reports) Regulations 2008 only to the extent required to provide a 'true and fair' view. This departure has involved following Accounting and Reporting by Charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) issued 16 July 2014 rather than the Accounting and Reporting by Charities Statement of Recommended Practice effective from 1 April 2005 which has since been withdrawn.

The Charity has early adopted the provisions of bulletin 1 as permitted.

Reading Advice Network meets the definition of a public benefit entity under FRS 102. Assets and liabilities are initially recognised at historical cost or transaction value unless otherwise stated in the relevant accounting policy note.

After making enquiries, the Trustees have a reasonable expectation that the Charity has adequate resources to continue its activities for the foreseeable future. Accordingly they continue to adopt the going concern basis in preparing the financial statements as outlined in the Statement of Trustees Responsibilities on page 3.

**c) Reconciliation with previously Generally Accepted Accounting Practice**

In preparing the accounts, the Trustees have considered whether in applying the accounting policies required by FRS 102 and the Charities SORP FRS 102 the restatement of comparative terms was required. The Trustees are of the opinion that no such restatement is required.

**d) Critical accounting judgments and key sources of estimation uncertainty**

In the application of the Charity's accounting policies, which are described in note 1, Trustees are required to make judgments, estimates and assumptions about the carrying values of assets and liabilities that are not readily apparent from other sources. The estimation and underlying assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised if the revision affects only that period, or in the period of revision and future periods if the current and future periods if the revision affects the current and future periods.

In the view of the Trustees, no assumptions concerning the future or estimation uncertainty affecting the assets and liabilities at the balance sheet date are likely to result in a material adjustment to their carrying amounts in the next financial year.

**e) Financial instruments**

The Charity only has financial assets and financial liabilities of a kind that qualify as basic financial instruments. *Basic financial instruments are initially recognised at transaction value and subsequently measured at their settlement value.*
